Angellyne is a juicy plumper from a country where luscious women are the hottest commodity: the Czech Republic. Reader G.T. is enamored with her and wishes he could jump into her photos like the famous music video by pop band A-Ha.

Take on Angellyne

Dear *XL Girls*,

Angellyne has to be one of the hottest plumpers I have ever seen. What is it about the Czech Republic? I think I need to make plans to move out there because every single woman that I have seen from that country has been drop-dead gorgeous. But Angellyne is probably the most beautiful of them all! She is my perfect woman: A pretty blonde with huge boobs, great legs and a thick, robust body. Not a dimple on her! Not that I mind if a girl has cellulite, but Angellyne is built like a real brick house. With all that smooth padding I'm sure she could take a real pounding. And that's something I'd really like to see. If I can't fuck her myself, I want to see some other lucky guy giving it to Angellyne. I hope this hottie does hardcore. If she does, my longtime favorite model Samantha will have some very serious competition. If not, then Angellyne will still be my favorite solo-only girl. And can I just say, what an absolutely delicious pussy and asshole she has! Almost makes me wish it was still the Eighties and I could jump into the magazine like the A-Ha music video to eat Angellyne's lovely, plump twat. And so I could fuck it, too! I really, really hope to see more of Angellyne very soon!–G.T., Cincinnati, Ohio

A Poem for Big Women

Dear *XL Girls*,

I love big girls and that's no lie. If you ever fuck one you'll know why.

When I just was a young man at 15 I dated a skinny mini. Now a mature man in my forties, I wouldn't give a skinny a penny.

Bigger is better. That's just how it is. Her fat pussy can take all your jizz.

Men used to be in the closet about a big woman. Now he takes her out to dinner and feeds her stomach.

The big woman is so blessed to have her size. So fellas sit back, close your eyes, and eat between her thighs. I'm willing to bet it will make your dick rise. Word to the wise.–A.W., Burnsville, Minnesota

Sienna's Huge Hills

Dear *XL Girls*,

I was very glad to see Sienna Hills back again in the Oct. '10 (SP200) issue. I have to admit–I love her big ol' titties. I'm a Southern man myself, and that's part of the reason why I like Sienna. She reminds me of some of the gals down here with ample endowments. The ones who are lively, fun and of course, like to have sex. Aside from having big tits, being open

Sienna is a Southern belle with charms that are anything but modest.

about liking sex is a huge turn-on for me. I'm not really one for modesty (probably why I love big tits), and Sienna strikes me as the kind of gal who really likes to go at it all night long, and isn't afraid to admit it. I might just have to take a drive through Arkansas and stop at the sex store she works at so I can meet her. She seems real friendly and nice. I bet we would hit off. But for now, I'll just keep looking at these fine pictures of her. And if you have any more pictures of Sienna, don't hold out!–W.J., Myrtle Beach, South Carolina

Amazing Ashley

Dear *XL Girls*,

As far as I'm concerned, Ashley Sage is the most beautiful *XL* model ever. Samantha, you're still hot. Sapphire, I love your tits. And Maria Moore, you're still a total babe. But Ashley Sage is my new favorite. She's young, she's beautiful, she's perfectly curvy and she has huge breasts. I love all these photos of her in swimsuits that you've ran. Normally it annoys me when a model doesn't show much pussy, but it doesn't bother me at all with Ashley. She is so beautiful, and her figure is so amazing, that I don't feel jipped by not seeing her spread her pussy open. Sure, it would be nice. But it's not an issue at all. She deserves to be in the hall of fame because there is no one else like her. I hope she never decides to do hardcore. I like her just the way she is!–R.R., Bristol, Rhode Island

A Happy Camper

Dear *XL Girls*,

Just got my hands on the Dec. '10 (SP204) issue. All I have to say is fantastic! All the hard work that both the *XL Girls* staff and models put into each issue is so great!

Sadie Berry and Angellyne's pictures were awesome! I can't wait to see more of them. Bring them back soon! They're both very sexy.

Seeing Carol Brown in the pages of *XL Girls* again was the absolute highlight of the Dec. '10 issue. I have been a fan of hers since the late Nineties.

Taylor Steele and Ashley Sage Ellison look very awesome in and out of their bikinis. I have to go now and read Lilli Blue's interview, jack off to Dawn Davenport eating and fucking, and renew my subscription to *XL Girls* magazine. Keep up the great, fantastic, awesome work!–L.H., Hyde Park, New York

Still Stroking to Stacy

Dear *XL Girls*,

Where did Stacy Lee go? I have not seen her in a long time. She is so hot and has the nicest tits I have ever seen.

Ashley has only been around a short while, but is already legendary!

I would love to have some new pictures of Stacy to look at while I pleasure myself. Another hottie I have not seen in a while is Karla Lane. Her beautiful face, big tits and hairy bush are things I can't get enough of. Making her debut in *XL Girls* Dec. '10 (SP204) is Sadie Berry, another girl I can't get enough of. I have stroked myself sore looking at Sadie. I hope to see Sadie again in the near future. And please bring Stacy back, too.–D.O., Bloomington, Illinois

Food Issues

Dear *XL Girls*,

Thank you so much for showing Dawn Davenport being fed and fucked in the Dec.'10 (SP204) issue. I love the *Feed Her Fuck Her* series. I have all three movies, and I hope that you plan to do a fourth movie. Finding feeding fetish videos is difficult, as it seems to be a small niche. But your company has done a great job with the *Feed Her Fuck Her* series. First of all, I love big women. And second of all, I love to see them being fed. And seeing them continue to eat and make a mess of it while they're having sex is very erotic to me. It is an unusal thing, but one that I enjoy.

I first got into this fetish after having sex with a woman I was dating. We used strawberries and whip cream. It was pretty tame stuff, but I really liked the sight of her nibbling on the strawberries and getting whip cream all over her face and body. She was a big woman (my favorite kind), and I felt the sudden urge to raid my refrigerator for more food for her to eat. I imagined her eating and eating, and her body and breasts getting bigger and bigger. Ever since then I have been fixated on the idea. I started looking on the Internet for videos like this, but mostly what I found were thin women squishing their feet in cake. And of course plenty of sex videos with whip cream in them, but that's not exactly what I was looking for. But when I came across the *Feed Her Fuck Her* website and videos, I was so thrilled that someone out there understood my unusual fantasy.

Stacy Lee will be back in the magazine again soon. Promise!

One reader loved this messy hardcore layout from the *Feed Her Fuck Her* series, while another found it degrading to plus-size women.

This brings me back to Dawn. She is really gorgeous. And the photos of her eatinge that messy linguine and having sex were amazing. When it comes to food and sex, the messier, the better. I love knowing that this big, beautiful woman is not afraid to indulge her appetites. And it is extremely arousing that she is so hungry that she gobbles up her food in such fervor that it gets everywhere and makes a mess. But it doesn't matter to her, because that's how hungry and horny she is. Bravo, *XL Girls*. I ejaculated many times to that pictorial, and countless times to the actual video.–L.P., via email

Dear *XL Girls*,

First, I should let you know that I am a woman. My husband subscribes to your magazine. I am aware of this and we often look through the magazine together, as I enjoy porn, too. But I have to say, as a big woman I was offended by Dawn Davenport's photos in the Dec. '10 (SP204) issue. It is degrading to a large woman to be fed food in a sexual way that mocks her size. We are not your prize pigs to be fattened in time for the Christmas feast. I always thought that *XL Girls* was very respectful to BBWs, and portrayed them in a tasteful manner, but I'm not so sure about that anymore.–C.R., Buffalo, New York

Carol Brown Is Back in Town

Dear *XL Girls*,

Carol Brown was the reason I started subscribing to The SCORE Group products so many years ago. She is still hot, and I think she is getting hotter with age. I will never get tired of seeing her. To be honest, I wasn't surprised that she held up so well. She was always a natural beauty, someone who I imagined would always be beautiful. And Carol Brown is just as beautiful as she was 12 years ago, if

not more so. I wish that more models from the late Nineties and before would make cameos in your magazines again, as the readers and longtime fans would really appreciate it. I was ecstatic to see Carol again. Especially since this was a new photo set of her as she looks currently.

Sometimes I feel that people in our society don't give mature women the credit they deserve. They are just as sexy as young women! And they've had enough experience to show a guy a good time in the sack. I would love to see a video of Carol Brown doing hardcore now, but I was plenty happy with the hardcore pictorial you ran of her in the Jan. '09 (SP176) issue. I hope we'll be seeing more of her in your magazine. She's kept me company on many lonely nights throughout the years! And I wouldn't mind a few more nights of loneliness if that means I get to spend them looking at new pictures of Carol Brown.–P.G., Ashtabula, Ohio

Hitting the Thigh Way

Dear *XL Girls*,

Recently I received one of your DVDs titled *Large Lovin'*. In this DVD there was an advertisement of another DVD, Feed Her, "Enjoy" Her. (Actually, there was another word for "enjoy", but that's what I refer to it as, and I use completely clean words even when talking dirty because I want to drive Puritanistic moralists crazy with it, and as a show of respect towards the women that I talk dirty about.) This DVD had Nikki Cars in it, whom I was very impressed with. And, to tell of why I like her is to tell of myself in the area of my sexual preferences towards women.

Like many people that discover that they have an unusual sex preference, such as panties, feet, legs, etc., I have a fetish for women's knees and inner thighs, as well as a fetish for women that expose their panties.

From day one of my existence, these fetishes for body parts and clothing have always been much stronger than my desire for actual physical sex, and I do like self-pleasuring myself even better than sex. As a matter of fact, I can never have sexual relationships with women because I can't get turned on about it

Readers love how Carol Brown matured into an even bustier babe.

enough to be a participant.

Yet I get turned on by pleasuring myself in the presence of women and watching them have sex with other men in porn DVDs. I also get into a sexual frenzy when understanding and free-minded women cross my path and they let me enjoy the feel and taste of their knees and their inner thighs, especially when they are knelt down. I also enjoy photography of them for later enjoyment of the memory of such activities. Also, as this fetish is like the foot fetish, I especially enjoy how women rub and pleasure my down South area with just their kneecaps and inner thighs in rapid up-and-down motions. And while holding their knees tightly together I will lay on my side in front of them to hump in between their inner thighs, where they feel the belly of my down South area get fatter and fatter until it stands on end and fires off long bursts of pearl white.

And I do like plump women, as well as slender women, especially as the knelt-down knees and inner thighs of plump women are often smooth and firm to the touch. And they make the one sex activity that I do enjoy a very pleasurable one. That's where they sit on my face so I can rub my tongue upon them, while

WEIGHING IN

Continued from page 8

I feel those big knees and inner thighs with one hand, and pleasure myself with the other.

With the above said, explained and boldly stated about my fetish, I completely enjoyed the scene where Nikki was pounding that guy into her by bouncing on her big and sexy knees while she was on top. She looked absolutely gorgeous like that, with her huge breasts bouncing along with her knees and inner thighs on top of the bed. I would love to hump those sexy knees of hers if I was ever given an opportunity to do so. I am looking for more DVDs of Nikki bouncing on her knees on top of people to further enjoy my fantasies. If no other DVDs of Nikki doing that exist, would you please make more of them, and with men that are long and huge down there, so that she can really go off on top of them and with a sexual abandon that is most sincere.

Reader T.D. has an unusual fetish for women's knees and inner thighs.

That woman has potential, and I feel really good about having so many orgasms because of her. And, as I do want more such orgasms because of her, please send me a list of DVDs where she appears. Thank you for giving me the pleasure of Nikki Cars and keep up the good work.–T.D., Redding, California

Alix Lakehurst & Jack Cummings

Some of you may recognize Alix from her photos in *Voluptuous* magazine. She's since put on a few pounds and is ready to bare her new body in *XL Girls!* In this scene from *Big Girl Strip Club*, Alix shows us that she really knows how to take care of her customers. She shimmies and shakes her huge tits onstage, and then takes her guy to the champagne room for some intimate one-on-one time.

At the *Big Girl Strip Club*, you get to see very specific types of women nude. It's not the kind of place you go to see skinny chicks. The dancers here are plump and stacked. It's basically an *XL Girls* fan's dream come true. And the strippers know how to work their curvy bodies onstage and in the champagne room. "Yes, there is sex in the champagne room," Alix said. Like any good stripper, Alix does pole tricks...on this guy's meat pole, that is. She sucks it and rides it hard!

"I've never had a one-night stand. You know why? Because every guy I fuck always comes back for seconds," Alix said. And that's why she's a favorite with V-mag and *XL* readers and at the *Big Girl Strip Club*. "I just can't get enough cock. Fucking is the most exciting, most fun thing for me to do," she continued. "I love being on top and pounding my pussy down on a guy's cock." It's true! And that's exactly what she does in this scene. Her blow job is given with lots of TLC, and while she's fucking, her pussy juice leaves this guy's cock glistening. "I always get so wet when I fuck. It ends up getting all over the guy's cock and balls."

CHARLIECOOPER

THE QUEEN OF MARDI GRAS IS REALLY JUST A NICE GIRL.

XL Girls: Hi Charlie. Welcome to our studio. How are you feeling today?
Charlie Cooper: Great, thanks!
XL Girls: Where are you from?
Charlie Cooper: Right now I'm living in St. Louis, Missouri.
XL Girls: And how did you hear about *XL Girls*
Charlie Cooper: An agent turned in my pictures to you guys.
XL Girls: Had you ever modeled before coming here?
Charlie Cooper: Not at all. I'm brand new to modeling.
XL Girls: What made you decide to start modeling?
Charlie Cooper: I have big boobs, and people have been telling me forever that I would be really good doing nude modeling because of my huge boobs. I've even had some boyfriends in the past who read your magazines and wanted to send my pictures in, but I always told them no. And finally my agent came to me with this offer, and I wanted to think about it. Then I didn't work with him anymore, but you guys tracked me down. And I figured I'm not getting any younger so I might as well do it now.
XL Girls: So you're taking advantage of your assets.
Charlie Cooper: Yes, that's exactly what I'm doing. While I still have them at least.
XL Girls: When did you start getting your boobs?
Charlie Cooper: In third grade. I woke up and suddenly I had these big ol' boobs. One day I looked in the mirror and just thought, 'What is going on here?' They had gotten so big out of nowhere. And I did not want to wear a bra, but my mom told me I had to. I would cry because I didn't want to wear one.
XL Girls: Well being so young you don't want to have to worry about that kind of thing.
Charlie Cooper: I know! I was already bursting out of a B-cup while everyone else was still in training bras, if they even had those.
XL Girls: What was the reaction to your growth spurt?
Charlie Cooper: It was okay till I got to be about 12 or 13. Then I was in middle school, and boys gave me more trouble than the girls. They were the ones saying that I stuff my bra. It was like please, I could not stuff my bra that big if I tried. The worst thing I ever heard was that I put pudding in balloons. I wouldn't even take the time for that!
XL Girls: I could see where the comparison would come from, but I don't think anyone would actually do that.
Charlie Cooper: I know. But I was a DD-cup by the time I was 13, so I guess they found it hard to believe that my boobs were real.
XL Girls: What's your bra size now?
Charlie Cooper: I used to be an M-cup, but I lost some weight. I haven't been fully measured but I'm somewhere between a G and a J. I used to be a J.
XL Girls: So somewhere around there.
Charlie Cooper: Yes, somewhere around the big category.
XL Girls: How does wearing bras work for you?
Charlie Cooper: wear two a day. I need to get some new ones. If I had one that fit me better it would be great. Also, you can't really find anything cute in the big sizes. It's all old granny business. So I get my old granny bra and a sports bra on top of that one and I'm good to go.
XL Girls: So you wear the regular bra and the sports bra together?
Charlie Cooper: Yes, and usually, like today, I'll also wear a tanktop with the bra built in.
XL Girls: Well you probably do need double the support.
Charlie Cooper: Yes I do.
XL Girls: Do you ever not wear a bra?
Charlie Cooper: No way. Only at home. But I don't even get the mail without a bra. I don't go anywhere without a bra. It's just too much of a racket. Things are going all over the

"THE WORST THING I EVER HEARD WAS THAT I PUT PUDDING IN BALLOONS."

place, and yeah, it gets a little crazy.

XL Girls: When you go out do you show them off at all?

Charlie Cooper: Well, I've become the queen of Mardi Gras. St. Louis is the second largest celebration in the country and trust me, I get bags of beads. I am the bead queen, and there's free drinks and free entrance to clubs.

XL Girls: So when you go to Mardi Gras you're wearing a top, right?

Charlie Cooper: [*Laughs*] Yeah, of course. The thing is when you go to Mardi Gras you're not supposed to flash. But the police will even ask you to see and they'll give you beads. But if you're not careful you can get a ticket. But I've never gotten a ticket in all my years of going. I go in a normal outfit, just something nice that I would wear out. And something that's accessible from the top because I don't want to lift up my shirt.

XL Girls: Right, you want to pull out.

Charlie Cooper: Yes, I want to pull 'em out. I've actually had a bra ripped in half before because it starts off with three or four guys, and then it turns into 20.

XL Girls: Wait, so how did the bra rip in half?

Charlie Cooper: People were trying to grab my boobs.

XL Girls: Whoa, that's pretty freaky.

Charlie Cooper: Very much. The thing is that it's Mardi Gras and it's a three day celebration, and people start drinking early, like at 9 a.m. By four or five in the afternoon they shut down part of downtown and it's just beads, boobs and beer.

XL Girls: The three essential Bs. So, have your boobs ever fallen out of your shirt?

"THEY SHUT DOWN PART OF DOWNTOWN AND IT'S JUST BEADS, BOOBS AND BEER."

Charlie Cooper: No, I keep them on lockdown. But I've never had an accident with them popping out.

XL Girls: Your boyfriends must like your boobs a lot.

Charlie Cooper: It's hit or miss. I had one boyfriend who could've laid on them all day and he would've been the happiest man in the world. And another ex didn't really care about them; they were just there and that was it.

XL Girls: Did you like the attention your boob-fanatic boyfriend gave to your boobs?

Charlie Cooper: Yeah, I did. It's not like it was too much or anything, because I know that my boobs are big. And most men find them to be fantastic, and if that's what he wants then who cares? As long as he's happy.

XL Girls: Do girls ever make comments about your boobs or ask to touch them?

Charlie Cooper: Oh my gosh, all the time! I go out and I'll be in the bathroom and the music is going and there are some girls all crowded around the sink, and one of them always goes, "Can I ask you a question?" It starts out that way every time.

XL Girls: So you know what they're going to ask before they ask.

Charlie Cooper: Yes, and I tell them, "Honey, I would not pay for this." Then they ask if they can just feel and I tell them to help

“I KNOW THAT MY BOOBS ARE BIG. AND MOST MEN FIND THEM TO BE FANTASTIC.”

themselves. "Oh my god, that's really heavy!" And I'm like yes, I know. Then they ask if they can see them, and I'm like sure!

XL Girls: You show them?

Charlie Cooper: Yeah, they're just boobs to me. They're no big deal to me. But to everyone else, they're like, "Oh, those are the biggest boobs I've ever seen!" If I could make your day by showing my boobs, then by god let me do so.

XL Girls: Does that fascination that people have with your boobs weird you out?

Charlie Cooper: I'm used to it. I can be grocery shopping and just dressed in a t-shirt and jeans and I'll hear a husband and wife whisper, "Honey, did you see that girl?" And I'll know they're talking about me. And it's not like I'm dressed up. This is when I'm in normal clothes. "Her boobs are sooo big." Then I'll turn around and look at the both of them and they'll turn so red because they've been caught. It happens everywhere I go.

XL Girls: It's funny when people do the loud whisper like that. It kind of defeats the purpose of it.

Charlie Cooper: I know! It's like, hi, I can hear you!

XL Girls: So, are you straight or bi…?

Charlie Cooper: I'm straight I guess.

XL Girls: You guess?

Charlie Cooper: Well I would never date a woman, and I would never marry a woman. But I have slept with women before.

XL Girls: How did you end up sleeping with these women?

Charlie Cooper: I always just kind of fell into it. I never plan these things. It just kind of happens. One or two had been friends, and I had a couple approach me at a club once.

XL Girls: So thoes situations were three-ways?

Charlie Cooper: Yes, I've never actually just been with a woman alone.

XL Girls: How did the three-ways work out?

Charlie Cooper: It's a lot of fun. 'Cause girls can entertain each other and you don't really have to pay attention to what the guy is doing 'cause he's so excited that there are two girls there. So yeah, it's actually a lot of fun.

XL Girls: So a little birdy told me that you're a nurse…

Charlie Cooper: Well I'm a CNA, but yeah, I've been taking care of old butts for about nine years now.

XL Girls: How are the old guys?

Charlie Cooper: Oh, the old guys. They love me. The old farm men are the worst. And you know, I wear big scrubs and it never fits. One of my favorites–he was so sweet–but boy, he had the biggest crush on me. I would go into his room at night to check on him, and I would lean over and see his hand slowly coming up from under the covers. One day he caught me in the hallway and told me he needed help. I asked him with what, and he said he wanted me to come to his room later. He said he had plans for us, and it was going to start off with a sexy massage. I said, "Carl, but you have a wife!" And he goes, "And I'm going to give you the massage without your shirt on." Then I told him I had to go.

XL Girls: That's pretty funny that he thinks there's a chance that you'd agree to that.

Charlie Cooper: They don't care. Their wives could be standing outside and you could be in there dressing them, and they don't care. They have no shame. They'll drop their walker so you have to bend over to pick it up, and they'll try to grab at you. I had one old man who was so pervy. I was trying to dress him and put him back in his wheelchair. And he kept reaching at me. I asked him what he was doing and he said, "I was just trying to help you hold them up." I was like, "It's okay, I got it covered!" Thanks, but no thanks.

XL Girls: How old are these guys?

Charlie Cooper: Like 70s, 80s and even into their 90s.

XL Girls: And they're still horny?

Charlie Cooper: Oh my god, yes. Old farm men are the worst.

XL Girls: Do you have to give them sponge baths?

Charlie Cooper: Yes, I give them actual baths in shower stalls.

XL Girls: Is that fun for them?

Charlie Cooper: I think that is their fa-

vorite time of day. I really do, because there are a bunch of cute, young girls working there. And they never want the men to sponge them down, that's for sure.

XL Girls: So you have these old guys groping at you, but what about younger and middle-aged guys? Do they ever try to cop a feel?

Charlie Cooper: The young guys are kind of like children about it. They'll be yelling across a room like, "Look at her tits!" And it's like, you're not going to get anywhere with me acting rude like that.

XL Girls: That's like the frat boy tactic.

Charlie Cooper: Yes, I don't appreciate that at all.

XL Girls: So tell us what kind of guys you do like.

Charlie Cooper: Tall, dark and handsome. Big football player types.

XL Girls: Are you a size queen?

Charlie Cooper: I don't really care too much, as long as it's a decent size.

XL Girls: So you think technique is more important?

Charlie Cooper: Yes, because I dated this one guy who probably had the biggest dick I had ever seen, and he just did not know what to do with it. And it's like he had so much potential.

XL Girls: Do you like to give or receive oral more?

Charlie Cooper: I would prefer to give it than receive it. I just couldn't care less about getting it. It doesn't really do anything for me.

XL Girls: Does that mean you're generally more of a giver?

Charlie Cooper: Yes, pretty much.

XL Girls: What's your favorite position when you have sex?

Charlie Cooper: Well, it depends what I want. If I want to get off then I have to be on top. But usually if I want to go balls out, then I just go with getting it from behind.

XL Girls: What is the kinkiest thing you've done?

Charlie Cooper: A boyfriend and I ended up at a swingers' club once.

XL Girls: Aaah, the swingers' club…

Charlie Cooper: Yes, the swingers' club. I had no idea what I was getting myself into. It was like a normal club with a stage and pole, and it was fine. But I kept seeing people going upstairs. I wanted to check it out, and there was a little waiting area, a hallway and rooms. The rooms had frosted windows with little holes so you could see inside. And what room you went into depended on what you were into. There's five or six couples in one room doing stuff, not necessarily with each other. But to be in certain rooms you had to be naked. I didn't want to be joining a group of strangers, but we went into one of the rooms anyway and just went to town.

XL Girls: So you were having sex in front of other people?

Charlie Cooper: Yes, it was a little crazy. But it was actually pretty cool. I don't know if I'd do it again though.

XL Girls: It's a good experience.

Charlie Cooper: Yes, it's a good story to tell people.

XL Girls: Did anyone approach you while you were there?

Charlie Cooper: Yes, some people asked us where we were from, where we were going. They mentioned that they'd never seen us there before. But they were pretty respectful.

XL Girls: That's good. Now let's talk

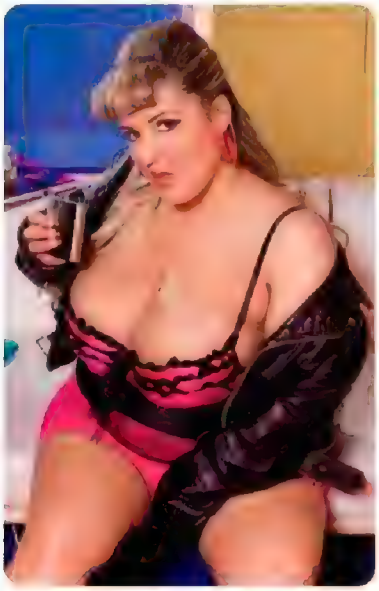
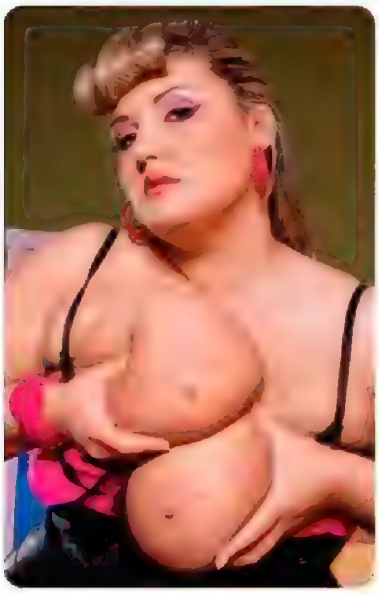
KANDI KOBAIN





"I initiate sex because I need it all the time!"

"When I want it, I get it. I don't have the patience to wait for a guy to make a move. And I have sex all the time. I have to have it at least once a day. Two or three times if I can get it," said Kandi. It's no wonder that all of her friends describe her as freaky. The girl can barely keep her panties on. "Yes, I love to fuck. It's no secret. That's why I do this kind of modeling. In fact, I hardly ever wear panties because they're just going to be coming off anyway!"

But as horny as she is, Kandi still manages to keep a cool head about sex.

She makes it very clear that although she loves sex, she doesn't go around flaunting that fact in everyone's face. "I think it's kind of tacky to talk super raunchy with people that you just met, or people who don't know that side of you. And I feel like it leaves a bad impression if you do that. Like you're this one-dimensional fuck machine. I mean, if everyone else is talking about sex, then I'll get into it. But otherwise, I like to have intelligent and funny conversations with people. I love to laugh and make people laugh. I'll tell you whatever sexy details you want to know, but you have to ask me first. I won't blurt it out."

We told her to be as nasty as she wants!

"Okay, I'll go back to being the horny, pervy Kandi for you!," she said. "So, one of the hottest fucks I ever had was during this drive to Six Flags. We pulled over and went at it. All the cars passing by could see my tits pressed against the window. We even got out and kept fucking with me bent over the car! We had to leave after that, before someone called the cops on us!"

CHLOE STEVENS

XXL of the month

Meet newcomer Chloe. She's a true blue *XL* babe.

It's been a while since we've featured an XXL of the Month, so it is with pride and joy that we announce Chloe Stevens as the XXL babe of this issue in her debut pictorial. You asked for bigger girls, and we're giving 'em to you! "I love the size I am, and so do men," said Chloe. "And I'm not afraid to show off either. When I go out I love to wear push-up bras to show my sexy cleavage and spandex to show off my sexy, thick thighs and my big, juicy booty."

When it comes to limits...well, Chloe doesn't really have any!

We went down our list of kinky things, and Chloe had done just about all of them! And the very few things she hadn't done, she was looking forward to trying in the near future. "Yes, I've done anal and I love it. It's a walk in the park for me. I've been with women, I've been in three-ways, four-ways. I've had sex in movie theatres, at the zoo and in parks. I've been in gang bangs and had three guys cum on me at once. It was all good fun. What I haven't tried yet is DP. I can't wait to feel two guys inside me at once. I'll love it!"

SELENA CASTRO

Newcomer Selena is a growing girl.

She's only 22 years old, and Selena's boobs are getting bigger every year. Many of our models tell us that they started developing at a very early age, but Selena's bustiness is a recent development. "I only started getting boobs a couple of years ago. Before that they were normal sized, like a B or a C. Then once I turned 18 they blew up, and they've been getting bigger ever since. People thought I got implants because of my growth spurt. But they're all natural."

Selena's recent chest growth has given her lots of new opportunities.

First and most obviously, she posed for V-mag and *XL Girls*, and was even in our XXX movie *Sex in the Titties*. She's been getting a lot more attention from men–"Which I love," she said–and she is able to give one hell of a tit-job now. "Guys started asking if they could tit-fuck me. I never did it before 'cause my boobs weren't big enough, but it's a lot of fun. I like that it turns them on."

POUND FOR POUND

SCORE AND V-MAG BABES WHO GREW TO XL PROPORTIONS!

Susie Wilden

2001-2005

Not all *XL* models started off that way. Many of them began as *Voluptuous* and even *SCORE* models, and over time put on enough pounds (and tits) to be considered sexy plumpers. Susie Wilden is a perfect example. This Brit beauty made her slim debut in 2001 in both *SCORE* and V-mag. But by 2002 she had put on enough poundage to warrant an appearance in *XL Girls* SP70. But no matter what size, readers have always loved this blonde bombshell!

THEN

NOW

THEN

NOW

Carol Brown

1996-2010

Carol Brown recently reappeared in *XL Girls* Dec. '10 (SP204) flaunting her new, fuller figure. The readers went wild, requesting more of the mature, fuller-figured Carol. She first made her appearance in the Feb. '96 issue of *SCORE*, and went on to win the 1998 Model of the Year award for V-mag. She then dropped out of sight for years, only to return recently looking hotter than ever. "I love my curves, and it feels great to be showing my body off again," she said. "I love modeling."

Sapphire

2003-2011

Regular readers of V-mag and *XL* are very familiar with the Rubenesque Sapphire. She first appeared in V-mag in July '03 weighing 140 pounds. A few years later she won the 2006 Plumper of the Year award in V-mag, weighing in at 164 pounds. These days she's at her heaviest and happiest. And readers certainly don't mind the weight gain. "Sapphire never looked hotter than in *My Big Plump Wedding*," reader K.G. from Missouri wrote in. "Her larger size really suits her."

Ashley Sage

2009-2011

Ashley hasn't been around as long as some of the other models featured here, but she's already made a huge impression. Her presence has been controversial from the start. Although originally slimmer than her current size, some readers felt that she was too robust to be featured in several issues of *SCORE*. But that's okay, we have plenty of room for her over here at *XL Girls*!

Alix Lakehurst

2008-2011

Alix Lakehurst already had a large Internet following when she came to shoot for us in 2008. Her fans, old and new, have followed her from V-mag into *XL*. If you check out her hardcore scene in our latest movie *Big Girl Strip Club*, you can definitely tell that she's put on a few pounds compared to her Jan. '08 *Voluptuous* debut. But that's okay with us. Her boobs have gotten bigger, and there's more of her to love!

CHARLIE COOPER

about masturbation. Do you do it?

Charlie Cooper: I do, like every day or every other day depending on what my schedule looks like. I have a toy, I guess it's just a little G-spot toy. Nothing too fancy or exciting.

XL Girls: Is there anything you want to try that you haven't yet?

Charlie Cooper: Not really. I've been very sexually active in my day. And I've had some boyfriends who were very big exhibitionists.

XL Girls: Care to elaborate on that?

Charlie Cooper: They just wanted to try everything, everywhere.

XL Girls: Where is the most public place you've had sex?

Charlie Cooper: At a park on a slide.

XL Girls: Did anyone see you?

Charlie Cooper: I hope not. It was like 10:30 at night.

XL Girls: Any other public places?

Charlie Cooper: I was dating a bouncer at a club once and we had sex in the coat room.

XL Girls: Do you like to have sex in public places?

Charlie Cooper: It's fun for the thrill, but it's not exactly a long situation. It's more of a quick, exciting thing.

XL Girls: Do you get a thrill out of the possibility of being caught?

Charlie Cooper: Not really. I just want to have sex.

XL Girls: Have you ever used your boobs to get out of trouble?

Charlie Cooper: That works well. What you have to do is lean forward and then twirl your hair around your finger. Then in a really sweet voice you say, "Officer, I really didn't know I was going that fast." It works every time. I get free drinks a lot, free entrance into clubs a lot.

XL Girls: Do you like to go clubbing and bar-hopping a lot?

Charlie Cooper: I do, but I haven't been out in a while.

XL Girls: What else do you do in your free time?

Charlie Cooper: I have two pitbulls, so I take them walking or to the river to go swimming. I spend time with them. I read a lot. A lot of the time I'm just a homebody with my dogs.

XL Girls: What are some books that you've read lately?

VERONIKA KOUGAR

Another DVD diva makes her magazine debut!

In the last issue, March '11 (SP207), it was Nikki Cars. In this issue, it's Veronika Kougar. We're talking about models who have sucked and fucked for us on video, but have not previously appeared in the magazine. Veronika has been in the DVDs *Plush & Plugged* and *Wide Load Nymphos*, and this is her *XL Girls* debut. This beauty is full of personality and sexual desire, and she's going to tell you why you can always count on her to give you a good time!

Veronika is one daring lover.

"There's not much I wouldn't try these past few years," she said. Indeed, Veronika is a very adventurous lady. But we'll let her tell you in her own words. "I've had sex in broad daylight on the hood of a police car and a firetruck. I got away with it because both of them belonged to my boyfriends at the time. I guess you could say I have a thing for men in uniform! I was also fingered at a horsepull until I came. It was an amazing orgasm."

Veronika lives her life to the fullest.

And that means having as much fun as possible in the bedroom. "My boyfriend and I dress up and role-play. There's not much we haven't acted out. As I've gotten older, I've also gotten hornier. I can't just have one orgasm. If I have one, there's going to be two! I have lots of sex, but I masturbate a lot, too. My record is 17 orgasms in a day. I've also had my first vaginal and anal orgasms this year. I had always only cum from clitoral stimulation. But wow–who knew?"

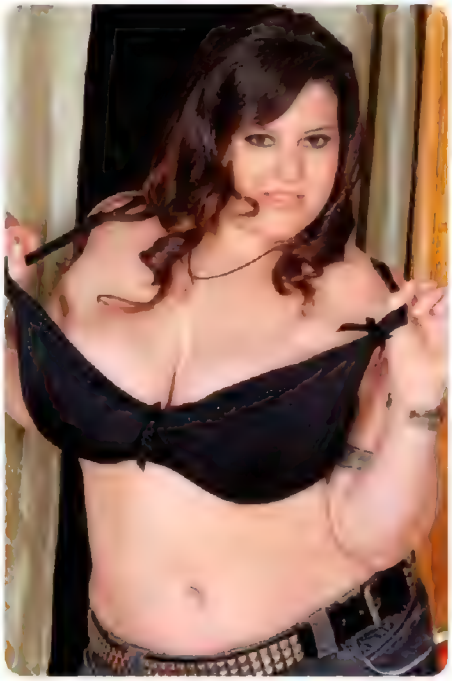
ANGEL SIN



Did you know that Angel Sin was a skinny girl once upon a time?

It's true. She was a small thing and even did some modeling at that size. But with time her frame grew, and so did her confidence with her body. "When I was thin, I was unhappy. I actually thought I was fat then, and I had low self-esteem. It got to the point where I didn't even want to have sex. But I started to gain weight and something in me changed. I started to like who I was."

She fell in love with her new curves.

"I really liked that my boobs were getting bigger. The guys liked it, too! And I just stopped caring so much about being super skinny. I was like, 'This is who I am. And I like who I am.' I realized that I'm beautiful no matter what size I am. And that gave me the confidence to let out my inner freak. With the love of my new body, I had a newfound love of sex. I loved to be naked. I wanted to have sex with the lights on for a change. And I was having orgasms like never before."

Sadie Berry & Lucas Stone

Everybody is fucking over at the *Big Girl Strip Club*, including Sadie Berry–who is getting her fill of dark meat. "I love all flavors of cock. I've had every type and just about all of them have made me cum. As long as it's big and hard, I'm game." Well, this cock is certainly big and hard for her soft, curvy body and luscious tits. Let's see how Sadie handles all that chocolate!

With her pretty face and ample tit-flesh, Sadie can have anyone she wants. Her baby blues can warm even the most hardened strip club patron's heart. Today, she picked Lucas as her VIP customer. That's because she was in the mood for something a little different from her usual fare. She was craving black cock. "This guy and I made eye contact, and I knew he was the one I wanted," she said. "He was so sexy. I almost wanted to give him a lap dance for free."

There are nothing but happy endings at the *Big Girl Strip Club*, and this scene was no exception. "I came hard as fuck. He came all over my tits. It was great. This guy fucked me like no other guy has before. It was unreal. His cock was so big I felt it stretching me out and filling me up. He reached spots inside me that I didn't know I had. I officially love black cock. I think I want to have a different color cock every day of the week. And black dick can be my Friday night special, because that's the night I like to party the hardest."

CHARLIE COOPER

Continued from page 56

Charlie Cooper: I re-read a lot of stuff. My favorite authors are Anne Rice, Patricia Cornwell, Stephen King. I'm a really big "Harry Potter" fan. I'm not even going to lie! I like a lot of the fantasy, mystery and crime stuff.

XL Girls: What about erotic literature? Do you like to read that?

Charlie Cooper: Actually Anne Rice writes–under a different name–something called the "Sleeping Beauty Trilogy." It's really cool. Instead of sleeping beauty awakening to a prince kissing her, she awakens because he's having sex with her. And the king is so indebted to this prince for waking her up, that he sells Sleeping Beauty to him as a sex slave. She has to learn to be submissive. It has all kinds of kinky things, like a Sleeping Beauty BDSM.

XL Girls: Do you like being blindfolded or spanked or anything kind of kinky like that?

Charlie Cooper: I enjoy it, but I rarely do it, to be honest. With most people I think they either really like it or they think it's weird. So I haven't had that much experience with it, but I don't mind it.

XL Girls: What about anal?

Charlie Cooper: Negative. I have tried it but it's just not happening.

XL Girls: Do you ever hide stuff in your boobs?

Charlie Cooper: All the time. I put my keys and ID in there. My phone.

XL Girls: Do the guys you date always want to tit-fuck you?

Charlie Cooper: You know, it's been a long time since that's happened. But if it makes them happy, then it's fine. It's probably been years since I've done it.

XL Girls: Do you watch porn?

Charlie Cooper: All the time. I watch interracial porn and porn with girls with big boobs and big butts. That way I can pretend it's me.

XL Girls: Would your friends describe you as kinky?

Charlie Cooper: Yeah, probably so. I'm the more wild one of the group. If we go out and we need free shots, I'm the one that has us covered.

XL Girls: Good to know. Well, that's about all the time we have for today. Thanks so much for the interview.

Charlie Cooper: No problem! It was my pleasure! XL

SAPPHIRE

Sapphire really has the luck of the Irish!

That's probably why she won the V-mag Plumper of the Year award three years in a row in 2006, 2007 and 2008. Although we can't downplay the role her enormous hooters played in those victories. It also doesn't hurt that Sapphire is a down to earth girl-next-door (who happens to do hardcore). Guys like that about her. "I know I have big boobs, but they're no big deal to me. I was surprised I won three times. The first year I was ecstatic, but I didn't expect to win two more times!"

"I feel lucky to have such big tits."

"Some girls don't like their big boobs because of back pain and because they don't like the attention they get. I don't feel that way at all. Because of my boobs, I've gotten to do some amazing things. Like have wild, hot sex on camera. I also like that they make me different from most girls. It's not every day you see a girl with J-cup boobs walking around! Being able to tit-fuck is a plus, too. I get really into it and start talking dirty to the guy. It's fun!"

You can fit more than a cock between her boobs.

Aside from tit-fucking, Sapphire also uses her rack as a purse. "When I go out I always put stuff in my bra or between my boobs. My money, ID, cell-phone...they all fit in there! One time I even found a dollar in between my boobs that I didn't know was there! I had put some money in my cleavage the night before when I went out, and I guess it got stuck!" Now that's what we call a pot of gold!

WEIGHING IN

Continued from page 12

Dear T.D.,

Nikki Cars has also appeared in Brickhouse Brawds, Super Sized Rides, Curvy Creamers *and, of course, the movie you referenced,* Feed Her Fuck Her 3. *You can order all of these movies on page 9.*

Cat Fighting Cuties

Dear *XL Girls,*

I agree with the guy in the Dec. '10 issue (SP204) wanting to see *XL* models in catfight action. It is a fantastic idea. Forget the hair pulling though; I want to see tit pulling and slapping. Two *XL Girls* mauling each other's enormous tits would be a real turn-on. Also, on the same page of this letter was a big beauty in boxing gloves and shorts. How about some *XL* big-boob boxing matches? Have the girls box each other's tits like they are punching bags. Give them one rule: no hitting below the boobs.

Next show them working out. I love to see some hard-working girls with sweat dripping off their heaving tits. Have one girl stand on a chair and lean forward, holding on to a horizontal bar so her tits hang like speed bags. Then have the boxing girls take turns punching them for practice. Also have some take off the gloves for a bare-knuckle-to-tit challenge. These matches would be fun to see. Ask other sports fan reader to suggest their ideas for XL busty extreme sport scenes for the magazine and DVDs.–B., Las Vegas, Nevada

Dear *XL Girls,*

I agree with E.P. from Las Vegas about big girl brawls. It is in the letters section of your Dec. '10 (SP204) issue. Just don't make them too pooh-pooh or fake. More along the lines of "Bare Knuckles", "Fight Night" and "Punch." The models will need to get all their moves rehearsed some way. Have some sort of script or blocking like they do in wrestling.

The model on page 7 of the Dec. '10 issue in her black trunks, white t-shirt and red gloves is awesome! Don't know who it is–Cherry Brady or Rose Valentina maybe. Cassie Blanca, Maria Moore, Veronica Vaughn, Sienna Hills, Samantha, Renee Ross

and Jade Parker would all be excellent! The list is endless.

You could have their opponent be of a much lighter weight, but she gives the *XL* woman a whippin' during the first two-thirds of the match! During the last part of the match the big girl makes a remarkable recovery and demolishes the skinny, foxy boxer. Have them all sweaty and oily at that time. Maybe even a black eye painted on one of them. Tell the model on page 7 of the Dec. '10 issue that she has a new fan! If she has a fan club drop me a lone. I still remember Susie Wilden jogging in place and tearing her t-shirt off. That was great! The page 7 model could simply stalk a skinnier contender around the ring for 10 minutes before putting her down. There are thousands of combinations you could work up.–R.P., Austin, Texas

Dear R.P.,

The model on page 7 of the Dec. '10 issue (SP204) with the boxing gloves is Rose Valentina. If you want to see the full pictorial of her in the boxing get-up, check out her interview in Sept. '09 (SP187).

Big-girl brawls have been some of the most requested scenes by readers lately. Samantha and Renee come close to a catfight in this scene from *K-jugs*.

Working for the Woman

Dear *XL Girls*,

I have yet to be disappointed with an issue of *XL Girls*. The Dec. '10 issue was no exception. I have not been able to stop looking at Sadie Berry. I am an accountant like her, and the women in my office sure as hell don't look like her! But that might be a good thing, because I'd never get any work done. If Sadie Berry worked in my office (or a girl who looked like her), I'd be running to the bathroom every five minute to rub one out. Whenever there is a busy woman around, I can't concentrate on anything. I think it would make a great pictorial if you dressed Sadie up in a businesswoman's outfit. Have her in a really tight button-up suit jacket, low-cut

If only all accountants could be as hot as Sadie Berry.

shirt underneath and a skin-tight pencil skirt with stilettos. She should be wearing glasses, too.

Whenever you shoot women in this style it turns me on so much. I know it's nothing new but it's still so hot (like Savannah's office-style pictures in the Dec. '09 (SP189) issue). I imagine what it would be like working with them in a stuffy office (like my real job). The sexual tension between us would be palpable. An office manager like Sadie Berry would walk around grabbing my balls whenever she wanted. Her tits would always be popping out of her sensible tops. One day after staying late, she'd call me into her office to let me know what a good job I've been doing lately. She sits on the desk in front of me and opens her legs, and I see that she isn't wearing any panties. She wants to reward me for being such a good employee by fucking me senseless. The boss-lady Sadie Berry of my fantasies would take her huge tits out of her top and give me a tit-job and blow job right there. Then I'd lay her on the table and eat her sweet, bald pussy while her skirt is still on. I'd bend her over and fuck her over her desk, reaching over and grabbing her huge hooters as they bounce. I'd fuck her every way I could. If I worked in an office with a woman like that, I'd never need a raise. I doubt that'd ever happen, but hey, a guy can dream, right?–N.G., via email XL

Renee Ross may be a sweet girl, but she still fucks like a naughty, big-titted slut. In this scene from *K-jugs*, she gives this DJ more than a handful of heavy tit-meat while taking a mouthful of his hard manhood. Everyone else at the station doubts her capabilities, but this DJ sees her potential. Not wanting to disappoint, Renee shows him exactly what she's capable of doing.

We always had the feeling that Renee would be great at fucking on camera, but she far exceeded our expectations with this scene. And the *K-jugs* staff who thought she didn't have the charisma or boob-power to contend against top DJ Samantha were shocked with her skills. To be a DJ at *K-jugs*, you must be stacked, you must be able to talk dirty, you must get listeners horny and you have to fuck as dirty as you talk. Renee proved that she can do all of the above, and with gusto. "When people doubt me, it makes me work harder to prove them wrong."
